TESTIMONIALS

"I can't thank you enough for taking Tuesday afternoon to spend at Knollwood Place Apartments sharing your inspirational stories and insight. You are an amazing person. I must be honest, I could have listened to you for hours. I truly believe that you could take your show on the road as a "standup comedian". I think the content of your presentation was wonderful and extremely meaningful, but your delivery was hilarious."

- Susie Held, Community Liaison, Sales and Marketing -Sholom Community
